***Note:**

Apostil is a simplified certification of public documents. All countries members of Hague Agreement convention have agreed to accept official documents such as criminal records, marriage and birth certificates only if they are Apostil. Documents destined for use in participating countries should be certified by the relevant authority in the jurisdiction in which the document has been executed. With this certification by the Hague Convention, an Apostil document is entitled to recognition in the country of intended use. These documents must include the official's title and signature in order to be eligible. Normally, the procedure to get the Apostil certification consists of verification from the Ministry of Foreign Affairs of the country of origin. In case a country is not a member of the Hague Agreement then the required documents need to be signed and stamped by the Ministry of Foreign Affairs of the country of origin. This stamp must be verified by the Embassy of Cyprus or Consulate Office in the country where the document has been issued.

General Comments:

- Application of the spouse / partner can be submitted simultaneously with the application of the main applicant / investor.
- The application for the adult children can be submitted upon the obtainment of the Cypriot Citizenship of the main applicant / investor.
- In the event that the applicant already holds a residence permit in Cyprus, it takes approximately 3 months for the Citizenship to be issued.
- In the event that the applicant will apply simultaneously for the obtainment of the Permanent Residence Permit and the Cypriot Citizenship by Exception, then it takes approximately 6 months for the Citizenship to be issued. This is because the applicant needs to hold a residence permit for a period of at least 6 months prior to the issue of the Citizenship by Exception.
- As soon as the Ministry of Interior will issue the Citizenship certificate, the applicant will need to give the Oath of Faith to the Republic of Cyprus before a Registrar of a Cypriot Court or the Cyprus Consulate Office.
